

Harborough swimming clubs annual "Flipper Memorial" trophy gala saw a well-deserved victory going to the Daventry Dolphins with the two Harborough teams finishing third and sixth. Charlie Poole was the stand out swimmer of the boys team picking up three individual victories, which impressively included the 100m back whilst swimming up into the older 15/u age group. Nathan Allen and Frankie Aldridge continued their excellent recent form taking individual wins in the 11/u back and fly, with able support from John Green and Ben Wellicome they also took wins in both relays. The Men's quartet of Tony Cole, Mark Kendall, George Robinson and Harry Waddington scorched to victory in the open freestyle relay.

For the ladies team Ebony Goddard had a magnificent swim to win the 11/u breaststroke with Olivia Weller taking the win in the corresponding open event. By far the busiest swimmer on the night was 13/u Emily Kendall who was duly rewarded for her hard work with a win in the 15/u fly. Once again this victory was even sweeter as it was achieved in an older age category.

Special mention also has to go to Alec Gibbs, Henry Ingram, Ellie Johnson, Bethan Lewis, George Lowe and Sonny To who all made significant improvements to their PB's.

Gala Result; Daventry Dolphins 241, Coalville 233, Harborough A 223, Nene Valley 147, Leicester Sharks 93, Harborough B 88
